Sir:

This is to request that the following prior art publication be made of record in the file for the above-identified Patent:

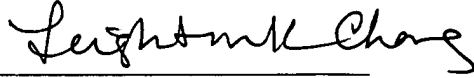

K. Kondo and C. Hemphill, "Surfin' the World Wide Web with Japanese," Proceedings of the 1997 IEEE International Conference on Acoustics, Speech and Signal Processing, Volume 2.

The article was called to the attention of the undersigned attorneys for the Patentee by attorneys for other parties. However, on review of the article, we believe that the article is merely cumulative of the prior art already considered in the record of the Patent, and does not have a bearing on the patentability of any claim of the Patent.
